PROTECTIVE HEADGEAR: It is compulsory for all junior riders in hunter seat equitation classes, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials) / SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. Show committee must bar riders without protective headgear from entering the ring for classes in which protective headgear is required.

RETURNED CHECKS: There will be a \$50 fee per incident for any check dishonored for any reason. It is the policy of this organization to pursue all avenues to make collection on checks.

RV PARKING: The fairgrounds will handle all RV reservations, except full hook ups. Full hook up reservations will be made through Joan Palelek, midsummerhorseshow@gmail.com You may reserve and pay for your RV spot by phoning 360-805-6706 beginning May 1. Please have the length of your trailer/RV and if you have a tip-out. See Show Fees section for details and pricing. Please park only in your assigned space.

SPORT HORSE IN HAND: Classes will be run in the order in the prize list and times assigned. Times will be available in the show office when checking in. Every attempt will be made to schedule to avoid conflict between rings. If there is still a conflict, let us know asap so we can work to resolve it.

STALLIONS: Arabian stallions may be shown by ladies and junior exhibitors in any class in this show except showmanship, lead line and walk-trot. Half Arabian and Anglo Arabian stallions registered with AHA and which have been issued an AHA Certificate of Registration issued by the Canadian Partbred Arabian Register are permitted to compete in AHA performance classes for Half Arabian and Anglo Arabian horses.

TRAIL SCHOOLING: Schooling on the trail course will be held Wednesday evening from 6:30 PM to 8:30 PM. Pay \$10 at the gate (cash only) for a five-minute individual work. One round per horse until all who wish to go has gone. Time permitting, extra rounds may be purchased.

STABLING AND ARRIVAL INFORMATION

ARRIVAL AND DEPARTURE: Stall fees are for arrivals Wednesday June 5, at 8 AM and departures completed on Sunday, June 9. Exhibitors may set up and bed stalls in assigned stabling areas on Tuesday, June 6 at no extra charge. Horses may not be brought in until Wednesday at 8 AM. Early arrival of horses is available by contacting show manager, Joan Palelek, 206-972-2163, to allow the fairgrounds to open the appropriate stalls. Early arrival is \$25 per day per horse stall.

BEDDING will be supplied by show management. A \$60 shavings and shavings removal fee will be charged per horse. This procedure is more cost effective as opposed to purchasing bagged shavings. Stall Day Fee \$36/night please indicate which night Wed, Thurs. Fri. Sat

FIRE MARSHALL RULES: By order of the Fire Marshall, all aisles between stalls must remain open. All materials used for decorative purposes must be treated with flame retardant; this includes stall drapes, even those made of cordura. Please be prepared to present evidence of this to the Snohomish County Fire Department. The Fire Marshall will inspect the show grounds. Authorized electrical appliances for grooming purposes may be used. The electrical system may not be altered or tampered with, under any circumstances. If electrical cords are used, they must be of the heavy duty, outdoor type. **SMOKING IS NOT ALLOWED IN THE ARENAS OR BARN AREAS.** Shavings may not be used in aisles or barn walkways as they are a fire hazard.

SHARPS CONTAINERS have been placed throughout the barns. Please use them. Competition management will fine any individuals \$200 for improper disposal of needles or other sharp disposable instruments.

STABLING ASSIGNMENTS: One stall per horse, except mares with foals. Stall assignment made upon consideration of sponsorships, volunteer status, and continued support in exhibiting at our competition. No stabling changes without consent of barn manager. The decision of management is final. Exhibitors wishing to be stabled together must make note of it on the line provided on the entry form.

If you have special requests or considerations, please submit them with your entry. All requests will be considered, but no promises are implied. Stabling assignments can be viewed online at www.hacw.org on Monday, June 3.

STALL CONSTRUCTION: Wood/metal with wood/metal dividers. Half or full doors.

STALL AND BARN DAMAGE: Stalls may not be structurally altered in any way. This means no removal of fronts or tears down of sides to make larger areas. Do not put nails, screws or other types of hole producing devices into stall walls. The use of staples, tacks or tape to attach decorations to walls, buildings, stalls, etc. is prohibited. Horse hooves are not to be painted on unprotected barn floor and aisles. Exhibitors are financially responsible for any damage to stalls or barns and will be charged accordingly. Barns and stalls will be inspected for damage and alterations.

STALL CLEANING: The past few years, our facility contract has made the show responsible for cleaning stalls after the show and we build the cost into the cost of the stall. Last year, a Snohomish County 4-H club was hired to do the work. They have agreed to do the job again but let us know that many stalls were left with large amounts of dirty, wet shavings. It appears instead of cleaning daily, fresh shavings were added to the top every day, leaving large amounts of dirty, strong ammonia smelling shavings. This unfairly exposed the 4 H'ers to an unsafe breathing environment in a hot, enclosed area. Please clean your stalls daily and use fewer shavings to help us reduce the cost of stalls, shavings, cleaning and removal from the fairgrounds. We realize more shavings are used when supplied bulk. We are hopeful we can continue providing bulk shavings and still have a group willing to clean stalls. This year, we will again receive a list of those who leave excessive amounts of dirty, wet shavings and will add a \$30 cleaning charge to the account of the horse owner. Show management will determine if stalls have been over-bedded. Stalls are not to be used as dog kennels and will be charged for cleaning.

CLASS 62 RANCHMANSHIP CLASS SPECIFICATIONS

The purpose of this class is to bring forth the versatility in both the ranch horse and exhibitor, in the task of performing 1 of the 8 ARHA designated patterns, constructed of both Ranch Trail obstacles and Ranch Reining maneuvers. Obstacles and maneuvers are to be judged to the standards written in Ranch Trail, Ranch Riding, and Ranch Reining in each part of the patterns that pertain to these classes. Horses will be scored on a basis of 0-100, with 70 denoting an average performance. There will be no time-limit. A simple or flying lead change should be executed precisely in the specified number of strides and/or at the designated location. A simple lead change is performed by breaking to a walk or trot for one to five strides (before break of gait penalty applies). Flying lead changes should be simultaneous front to rear. All changes should be smooth and timely. This class will also be judged on quality of movement on horse by standards written in the Ranch Riding portion of the ARHA Rulebook. For specifics and details of credits, deductions, and penalties refer to class in question. The Ranch Riding portion will be scored in 1/2 point increments from -1 1/2 to +1 1/2 on the score sheets on the overall quality of the horses movement. Judge will score on all gaits performed at the end of the pattern on the overall average of each gait. Transitions should be performed where designated, with smoothness and responsiveness. Posting at extended trot is acceptable. Exhibitor may not hold the saddle horn.

Ranchmanship Pattern 4 – 8 logs, 3 cones

1. Left lead lope A to B.
2. At B break to a trot.
3. Cross Over Poles.
4. Trot to next cone and stop.
5. Back 5 steps.
6. Left lead lope to center, small slow circle. Stop.
7. 2 spins left.
8. Right lead lope small slow; in center change to left lead.
9. Continue to lope left lead into chute; in chute transition to walk.
10. Walk to log and side pass right. Side pass left.
